## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: In response to the office action, dated April 16, 2008, further in view of applicant's amendments filed on 08/07/08, the application has been carefully reviewed and respectfully considered.

Upon further review, claims 1, 37 and 66, which are independent are allowed for the reasons given below, including all dependent claims depend on therefrom:

With respect to claims 1, 37 and 66 the prior art searched and of record neither anticipates nor suggests the claimed invention as amended. In particular, Claims 1, 37 and 66 has been amended as indicated by applicant "an authorization system which senses an approaching user and sends inquiries via wireless communications protocols to determine whether the user is carrying an electronic device that can provide, identification and a password to the user's account". It is respectfully submitted that the prior arts searched and those used against the application in the previous Office action and do not disclose or suggest "an authorization system which senses an approaching user and sends inquires via wireless communications protocols to determine whether
